Welcome Pellissippi State Alumni,

As Pellissippi State Community College and Bryan College continue to strengthen their higher education partnership, we want to encourage Pellissippi State graduates to consider their next steps on their higher education path.

Bryan College’s mission is to prepare students to make a difference in the world around them through our motto, “Christ Above All.” We fulfill this mission by offering Christ-centered courses taught by highly qualified professors who invest in the lives of their students. Through our traditional in-residence programs or our convenient online Adult & Graduate Studies (AGS) format, each aspect will allow you to continue your education no matter where life may take you. To learn more about all of the programs we offer, please check out www.my.bryan.edu. A quick list of some Frequently Asked Questions are provided below:
