## **Tennessee Transfer Pathways**

Tennessee Transfer Pathways constitute agreements between community colleges and four-year colleges and universities confirming that community college courses meet major preparation requirements and guaranteeing that all community college courses taken will be accepted at the Tennessee college/ university and will count toward completion of the specific major. This pathway is designed for transfer as an Economics major, B.A. degree, in the College of Business and Technology at East Tennessee State University, the College of Arts and Sciences at the University of Memphis, and the College of Arts and Sciences (not the Haslam College of Business) at the University of Tennessee, Knoxville. Please visit the [Tennessee Transfer Pathways website](#) for important information regarding Tennessee Transfer Pathways Transfer of Community College Programs to four year college or universities in Tennessee. Tennessee private colleges and universities have created various ways in which students may transfer. Students may access more information on how credits transfer at the [Tennessee Independent Colleges and Universities Association website](#).

## **Career Coach**

Career Coach is designed to help students review career options by providing the most current local data on wages, employment, job postings, and associated education and training. To discover more information about the Tennessee Transfer Pathways or other career options, visit the [Career Coach website](#).
