Additional Information Regarding Foreign Language

At some universities, foreign language may be required in certain programs that lead to the bachelor of science degree. Complete information regarding foreign language requirements at each university is on the transfer and articulation websites of the Tennessee Board of Regents and the University of Tennessee System. Community college students are encouraged to be familiar with foreign language requirements at the universities and, if applicable, complete the requirements before transferring.

Tennessee Transfer Pathways

Tennessee Transfer Pathways constitute agreements between community colleges and four-year colleges and universities confirming that community college courses meet major preparation requirements and guaranteeing that all community college courses taken will be accepted at the Tennessee college/ university and will count toward completion of the specific major. The following Tennessee public universities offer programs to complete these Pathways: Austin Peay State University, East Tennessee State University, Middle Tennessee State University, Tennessee State University, Tennessee Technological University, University of Memphis, University of Tennessee at Chattanooga, University of Tennessee at Knoxville, and University of Tennessee at Martin. Please visit the [Tennessee Transfer Pathways website](#) for important information regarding Tennessee Transfer Pathways Transfer of Community College Programs to four year college or universities in Tennessee. Tennessee private colleges and universities have created various ways in which students may transfer. Students may access more information on how credits transfer at the [Tennessee Independent Colleges and Universities Association website](#).

Career Coach

Career Coach is designed to help students review career options by providing the most current local data on wages, employment, job postings, and associated education and training.
