The intern is responsible for enrolling in the course, paying all fees, and scheduling an initial interview with the Internship Coordinator prior to the beginning of the enrolled term, and bringing to the interview all completed initial application paperwork including: application, resume, and transcript. (Read everything under "Getting Started" on the internship webpage)

3. Progress conferences with the Internship Coordinator are not required but may be scheduled at any time during the semester on an "as needed" basis. However, interns are expected to check student and personal email accounts on a regular basis throughout the semester to maintain regular communication with the Internship Coordinator. Notify Internship Coordinator immediately if contact information changes during internship.

4. The intern will notify the Internship Coordinator immediately upon accepting an internship position. These must be submitted to the Internship Coordinator by the last day of the enrolled term. All required hours must be completed with ONE employer.

6. The student will organize and schedule with the Internship Coordinator a site visit to the intern's workplace prior to the completion of the required hours. In some instances, where
site visits cannot be performed, a **written report** is required in place of the visit. (Discuss with Internship Coordinator.)

7. The intern’s work supervisor will submit a final evaluation form to the Internship Coordinator indicating the tasks assigned and rating the intern’s performance. This form will be provided directly to the student or supervisor (not on the webpage), and must be submitted to the Internship Coordinator by the last day of the enrolled term.

8. The intern will submit to the Internship Coordinator a final student evaluation form describing and evaluating the internship experience. The "Student Evaluation" form, and "Timesheet" forms, are located on the [BCT Internship webpage](#). This form must be submitted by the last day of the enrolled term.

9. Interns must notify Internship Coordinator of any problems or issues they have with their placement. An unsuccessful internship experience may result in serious consequences impacting re-enrollment and graduation.

10. Tardiness, absenteeism, and/or general disciplinary problems will not be tolerated and can result in the failure of the internship course.

11. The intern will be responsible for handling all software, hardware, and other types of equipment provided by the employer in a responsible and ethical manner.
