II. COURSE GOALS:

The course will:

A. Introduce students to medical terminology. (II, III, IV)
B. Expand student understanding of legal ethics. (I, II)
C. Introduce medical research and basic procedures to obtain health care information. (II, III, IV, V)
D. Develop the students’ awareness of ethics and laws used in handling patient medical records and documents. (I, II)
E. Provide students practical experience of organizing and analyzing medical records. (II, III, IV)

III. EXPECTED STUDENT LEARNING OUTCOMES:

The student will be able to:

1. Demonstrate a complete and thorough understanding of legal ethics. (B)
2. Understand and articulate the legal concept of medical malpractice. (A, C, D, E)
3. Distinguish between health care standards and the standard of care. (A, C, D, E)
4. Identify, order, organize, and analyze medical records. (A, B, C, D, E, F)
5. Explain the concept and use of advanced directives. (A, C, D, E, F)
6. Identify and understand the role of health insurance companies and care management groups in the provision of health care. (A, C, D, E)
7. Identify and differentiate the governmental bodies that regulate health care in Tennessee. (C, D, E)
8. Create PowerPoint slides and exhibits for trial. (B, C, D)
9. Understand how to prepare for a medical malpractice lawsuit. (A, B, C, D, E)
10. Obtain records protected by HIPAA. (A, B, C, D, E)
IV. EVALUATION:
A. Testing procedures:
Students are evaluated on a combination of quizzes, tests, and projects. The instructor’s policies on exams, quizzes, homework, attendance, and grades will be provided on a supplement to the course syllabus.

B. Laboratory Expectations: N/A

C. Field Work:
Students will complete numerous out-of-class skills projects, which may include:
1. Research on medical topics, drugs, treatments, and health care providers
2. Drafting Release for Medical Records, discovery requests, and pleadings
3. Organization and Analysis of medical records

D. Other Evaluation Methods:
1. Class participation, group work, and homework will also comprise the final grade for the course.
2. All tests and papers will be graded for spelling and English usage in addition to content and format.

E. Grading Scale:
A 93-100
B+ 88-92
B 83-87
C+ 78-82
C 73-77
D 65-72
F 64 and below

V. POLICIES:
A. Attendance Policy:
Pellissippi State expects students to attend all scheduled instructional activities. As a minimum, students in all courses (excluding distance learning courses) must be present for at least 75 percent of their scheduled class and laboratory meetings in order to receive credit for the course. Individual departments/programs/disciplines, with the approval of the vice president of Academic Affairs, may have requirements that are more stringent. In very specific circumstances, an appeal of the policy may be addressed to the head of the department in which the course was taken. If further action is warranted, the appeal may be addressed to the vice president of Academic Affairs.

B. Academic Dishonesty:
Academic misconduct committed either directly or indirectly by an individual or group is subject to disciplinary action. Prohibited activities include but are not limited to the following practices:
- Cheating, including but not limited to unauthorized assistance from material, people, or devices when taking a test, quiz, or examination; writing papers or reports; solving problems; or completing academic assignments.
• Plagiarism, including but not limited to paraphrasing, summarizing, or directly quoting published or unpublished work of another person, including online or computerized services, without proper documentation of the original source.
• Purchasing or otherwise obtaining prewritten essays, research papers, or materials prepared by another person or agency that sells term papers or other academic materials to be presented as one’s own work.
• Taking an exam for another student.
• Providing others with information and/or answers regarding exams, quizzes, homework or other classroom assignments unless explicitly authorized by the instructor.
• Any of the above occurring within the Web or distance learning environment.

Please see the Pellissippi State Policies and Procedures Manual, Policy 04:02:00 Academic/Classroom Conduct and Disciplinary Sanctions for the complete policy.

C. Computer Usage Guidelines:
College-owned or -operated computing resources are provided for use students of Pellissippi State Community College. All students are responsible for the use of Pellissippi State's computing resources in an effective, efficient, ethical and lawful manner. It is each individual user's responsibility to abide by the policy available at www.pstcc.edu/ppm/pdf/08-13-05.pdf

D. Accommodation for Disabilities:
Students that need accommodations because of a disability, have emergency medical information to share, or need special arrangements in case the building must be evacuated should inform the instructor immediately, privately after class or in her or his office. Students must present a current accommodation plan from a staff member in Disability Services (DS) in order to receive accommodations in this course. Disability Services may be contacted by sending email to disabilityservices@pstcc.edu, or by visiting Alexander 130. More information is available at http://www.pstcc.edu/sswd/.
