D. Other Evaluation Methods: 30% of grade

   30% -- Participation in the course is an important part of evaluation; informally, the instructor is able to evaluate students’ progress in pronunciation and vocabulary mastery.

**VI. Policies**:

Attendance Policy:

Attendance, promptness, and participation are essential to success in college courses. To allow for possible emergencies, students may miss ten percent of the regular class meetings in any
English course without penalty. Students whose cumulative absences, regardless of the reason, total more than ten percent of scheduled class meetings will be penalized for each additional absence by reduction of their final grade according to the following formula:

- In a class that meets three times per week—1.5% reduction;
- In a class that meets twice per week—2.5% reduction;
- In a class that meets once per week—5.0% reduction.

Additionally, the general attendance policy of the College states that students must be present for at least 75 percent of scheduled class meetings in order to receive credit for the course. Therefore, any student who must miss an excessive number of classes for any reason is advised to withdraw from the College under the “Mitigating Circumstances” provision as described in the PSTCC Catalog.
