V. Evaluation:

A. Testing Procedures: 50% of grade

Five tests, one objective and four transcription, will be given. The objective test will cover the concepts of machine transcription and will include multiple-choice, true-false, matching, and short answer questions. The transcription tests will be graded for both speed of completion and accuracy of transcripts; speed will count as one-third of the test grade and accuracy will count as two-thirds of the test grade. A progressive speed scale for the transcription tests will be used.

B. Transcription Assignments and Quizzes: 50% of grade

Transcription assignments consisting of letters, memos, and reports that correspond with the sections in the text will be completed using computers and transcription equipment. Students will be allowed to check the transcripts against the keys for the first four sections; no keys will be used after the fourth section. The transcripts will be graded for accuracy using the following scale:

- Perfect transcript 15 points
- 1 error 13 points
- 2 errors 11 points
- 3 errors 9 points
- 4 errors 7 points
- 5 or more errors 5 points

(Transcripts submitted late will be accepted up to one week after due date but will be given half credit only. You may have one grace period when transcripts will be accepted up to one week...
late with no penalty. Use this grace period carefully—remember you may need it for sickness or other emergencies.)
