V. Evaluation:

Evaluation Procedures:

1. The grade for this course is Pass/No Pass. This grade will be based on attendance and verification of hours worked; evaluation by the employing supervisor; a student evaluation of the internship experience; an arranged visit to the student's work site; and overall reliability and commitment to the work experience. All required hours must be completed with one employer. Updated resume must be submitted and a Placement file completed. Tardiness, absenteeism, and/or general disciplinary problems will not be tolerated and can result in the failure of the internship course.

2. Prior to enrollment in the course and the beginning of the term, an application process must be completed. This application process includes: a two-page application, a current resume, a copy of current transcript, and scheduling an interview with the internship coordinator.

3. Regular communication with the internship coordinator by email or phone throughout the internship semester is required. Conferences may also be scheduled at any time during the semester on an “as needed” basis.

4. The intern will submit pertinent employer information [such as supervisor's name, title, phone, email, fax] within the first two weeks of the term. Intern should assure that all deadlines are being met throughout the internship.

5. The intern will work a minimum of 45 hours with one employer during the semester. Before these hours are completed, the intern will arrange with the internship coordinator a visit to the intern's work site.

6. The intern's employing supervisor will fill out an evaluation form rating his/her work performance during the semester and submit to the internship coordinator.

7. The intern will complete and submit to the internship coordinator an evaluation of the internship experience.

8. Hours worked by the intern should be verified by the employing supervisor using either (1) time sheets signed by both the student and the supervisor, or (2) copies of official pay stubs that show hours worked. This documentation will be submitted to the internship coordinator.

VI. Policies:

Attendance Policy:
Pellissippi State Technical Community College expects students to attend all scheduled instructional activities. As a minimum, students in all courses must be present for at least 75 percent of their scheduled class and laboratory meetings in order to receive credit for the course. Individual departments/programs/disciplines, with the approval of the vice president of Academic and Student Affairs, may have requirements that are more stringent.
