Upon successful completion of this course, the student should be able to:

1. Gain an understanding of the necessity for early intervention in an inclusive approach to early childhood education. A,B
2. Identify recommended practices and elements for inclusive early childhood programs. A,B
3. Exhibit knowledge of legislation dealing with early intervention and prevention. A,B
4. Exhibit knowledge of the causes and classification of developmental disabilities. A,B
5. Identify characteristics of developmental disabilities and at-risk conditions. A,B
6. Gain an understanding of the assessment process in dealing with young children with developmental disabilities. A,B
7. Gain an understanding of the screening and diagnostic instruments used with young children with developmental disabilities and how to interpret the readings. A,B
8. Learn how to work effectively with a multi-disciplinary team in an effort to coordinate an appropriate educational program integrating parents, school, and community resources. A,B
9. Identify the approaches that are used in implementing developmentally appropriate learning experiences in preparing teachers for inclusive programs. A,B

*Letters after performance expectations reference the course objectives listed above.

V. Evaluation:

A. Testing Procedures:

Students will complete a pre and post inventory on their knowledge of exceptional children through an entry exam and a comprehensive final exam.

B. Laboratory Expectations:

Students will keep a journal, reflecting on each class topic. They will share in writing the knowledge they have learned and how they will use this knowledge in the classroom.

C. Field Work:

Students will observe and assess different early childhood education programs at various sites.

VI. Policies:

A. Attendance Policy:

Pellissippi State Technical Community College expects students to attend all scheduled
instructional activities. As a minimum, students in all courses must be present for at least 75 percent of their scheduled class and laboratory meetings in order to receive credit for the course.

B. Academic Dishonesty:

Plagiarism, cheating and other forms of academic dishonesty are prohibited. A student guilty of academic misconduct, either directly or indirectly through participation or assistance, is immediately responsible to the instructor of the class. In addition to other possible disciplinary sanctions that may be imposed through the regular Pellissippi State procedures as a result of academic misconduct, the instructor has the authority to assign an F for the exercise or examination or to assign an F in the course.
