VI. Policies:

Attendance Policy:

Pellissippi State Technical Community College expects students to attend all scheduled instructional activities. As a minimum, students in all courses must be present for at least 75 percent of their scheduled class and laboratory meetings in order to receive credit for the course. Individual departments/programs/disciplines, with the approval of the vice president of Academic and Student Affairs, may have requirements that are more stringent. Because of the nature of this course, attendance at every class is essential to achieve the course objectives and to ensure the personal success. Five (5) points will be deducted from the total points for every class missed after the first absence.
