If you miss more than four classes, you will not pass the course. Pellissippi State Technical Community College expects students to attend all scheduled instructional activities. As a minimum, students in all courses must be present for at least 75 percent of their scheduled class and laboratory meeting in order to receive credit for the course. Individual department/programs/disciplines, with the approval to the vice president to Academic and Student Affairs, may have requirements that are more stringent.

B. Other Policies:
   - When the class meets on campus at PSTCC the student should be prepared to putt, pitch/chip,
and practice the golf swing. Outdoors or indoors depending on the weather.

Make-up policy:
1. After one week, students will not be allowed to make-up written examinations.
2. With documentation, students will be allowed to make up absences. Make-up sessions should be supervised and consist of activities engaged in during the sessions that the student missed.

Rain/Snow Policy:
In cases of rain, snow or sub-32 degree weather, classes will be held at the Bubble unless instructed otherwise. Please bring a putter and a 9 iron for video taping. Call for current update on class location.

Injury Policy:
Students injured during class must inform the instructor immediately. An accident/incident report must be filed. This applies to all injuries no matter how minor.
