B = 84-89  
C+ = 80-84  
C = 74-79  
D = 70-73  
F = 69 or below

VI. Policies:

Attendance Policy:
Pellissippi State Technical Community College expects students to attend all scheduled instructional activities. As a minimum, students in all courses must be present for at least 75 percent of their scheduled class and laboratory meetings in order to receive credit for the course. Individual departments/programs/disciplines, with the approval of the vice president of Academic and Student Affairs, may have requirements that are more stringent. Since much of the practical learning is classroom-based in performance and instructor/peer evaluation, student attendance is required in the course. The same standard for absenteeism for all Speech Communication/Theatre performance courses applies: a student may miss no more than the equivalent of two weeks (12.5%) of class without making up the absences through attending other classes approved by the teacher or completing other assignments at the teacher's discretion. If a student misses more than 25% of his/her classes the student fails the course.
