III. Instructional Processes*:

Students will:

1. Attend lectures, watch films, and read their textbook and handouts regarding theatre history and the aesthetics of theatre. Communication Outcome, Cultural Diversity and Social Adaptation Outcome, Problem Solving and Decision Making Outcome, Active Learning Strategy

2. View play productions and write short critical analyses of these productions. Communication Outcome, Cultural Diversity and Social Adaptation Outcome, Problem Solving and Decision Making Outcome, Information Literacy Outcome, Transitional Strategy

3. Develop a final project that illustrates their knowledge of a specific area of theatre. Example might include: building a scale model of an historical theatre, designing and rendering a costume piece from a specific play, or writing a research paper on some historical aspect of theatre. Information Literacy Outcome, Communication Outcome, Cultural Diversity and Social Adaptation Outcome, Problem Solving and Decision Making Outcome, Personal Development Outcome, Transitional Strategy

*Strategies and outcomes listed after instructional processes reference Pellissippi State's goals for strengthening general education knowledge and skills, connecting coursework to experiences beyond the classroom, and encouraging students to take active and responsible roles in the educational process.

IV. Expectations for Student Performance*:

Upon successful completion of this course, the student should be able to:
1. Understand the basic tenants of each major period in theatre such as the innovations, styles of design, major contributors, acting styles, etc. A,B,D

2. Describe in-depth the qualities of the different genres of theatre including the classical tragedy, comedy, melodrama, musical comedy, etc. B,D,E

3. Understand and appreciate how a play is produced from the first design staff meeting to opening curtain.) D,E

4. Identify and discuss the aesthetic merits of the different types of stage configurations (proscenium, black box, thrust, etc.) D,E

5. Effectively and knowledgeably critique a production using Aristotle=s six components of tragedy. C,D,E,F

6. Understand the lifestyle of a professional performer and whether that lifestyle is compatible with their own. G

*Letters after performance expectations reference the course objectives listed above.

V. Evaluation:

A. Testing Procedures: 55-60% of grade

Students will take written tests.

B. Laboratory Expectations: 20-25% of grade

Students will be required to do a combination of written play reports and possibly group projects.

C. Field Work: 20% of grade

All students will do a term project. The topic and form of this project is subject to the approval of the instructor.

D. Other Evaluation Methods:

N/A

E. Grading Scale:

A = 94-100
B+ = 90-93
B= 84-89
C+ = 80-83
C = 74-79
D = 70-73
F = 69 or below

VI. Policies:

Attendance Policy:

Pellissippi State Technical Community College expects students to attend all scheduled instructional activities. As a minimum, students in all courses must be present for at least 75 percent of their scheduled class and laboratory meetings in order to receive credit for the
course. Individual departments/programs/disciplines, with the approval of the vice president of Academic and Student Affairs, may have requirements that are more stringent.
