VI. Policies:

A. Attendance Policy:

College policy states that if a student misses more than 25% of regular class meetings, he will automatically receive a failing grade for the course. This applies to BOTH excused and unexcused absences. Since this class meets once a week, a student may miss no more than four lessons if he/she wishes to receive credit for the course. Departmental policy states that teachers will not teach make up lessons unless the instructor has to cancel a lesson or unless the student has to miss a lesson in order to participate in a school function. Lessons missed due to these two reasons will be rescheduled at a mutually convenient time. In the event that a student’s involvement in a school function necessitates his missing a regular lesson, it is the student's responsibility to inform the instructor one week in advance and to arrange for rescheduling at that time.

B. Academic Dishonesty Policy:

The instructor has the primary responsibility for control over classroom behavior and maintenance of academic integrity. Plagiarism, cheating and other forms of academic dishonesty are prohibited. A student guilty of academic misconduct, either directly or indirectly through participation or assistance, is immediately responsible to the instructor of the class. In addition to other possible disciplinary sanctions that may be imposed through the regular Pellissippi State procedures as a result of academic misconduct, the instructor has the authority to assign an F or a zero for the exercise or examination or to assign an F in the course. (Pellissippi State Catalog)

If you need accommodation because of a disability, if you have emergency medical information to share, or if you need special arrangements in case the building must be evacuated, please inform the instructor immediately. Privately after class or in the instructor’s office.
