Inclusive Programs for Young Children

8 Planning for Inclusion: Partnership with Families, Identification and the IEP Process, Planning Transitions to Support Inclusion, Preparing Teachers for Inclusive Programs

9 Implementing Inclusive Early Childhood Programs: Behavioral-Developmental Approach; Arranging the Learning Environment, Facilitating Social Speech, Language, and Communication Development; Facilitating Pre-Academic/Cognitive Learning, Facilitating Self-Care/Independence Skills, Managing Problem Behaviors

10 Stages of Teacher Development

11 Skills for Effective Mentors: Communication, Reflective Practice, Modeling

12 Skills for Effective Mentors: Coaching, Feedback and Self-Assessment

13 Leadership and Advocacy

14 CDA Competencies and Assessment Process

15 Final Exam Period

II. Course Objectives*:

A. Develop attitudes and practices that promote positive relationships with exceptional children. I, III, IV

B. Develop understanding and skills necessary to ensure a well-run, purposeful program that is responsive to exceptional children needs. I, III, IV

*Roman numerals after course objectives reference goals of the ECEd program.

III. Instructional Processes*:

Students will:

1. Observe classroom dynamics in various educational settings. Active Learning Strategy, Transitional Strategy

2. Utilize reflective inquiry thinking processes to integrate text and classroom observation.

3. Use journaling as a technique to facilitate classroom observations and discussions. Transitional Strategy

4. Internalize work ethic by demonstrating regular attendance, punctuality, dependability, cooperation with teachers and peers, and professionalism.

5. Use Internet for communication with instructor and other class members. Technological Literacy Outcome

*Strategies and outcomes listed after instructional processes reference TBR’s goals for strengthening general education knowledge and skills, connecting coursework to experiences beyond the classroom, and encouraging students to take active and responsible roles in the educational process.
IV. Expectations for Student Performance*:

Upon successful completion of this course, the student should be able to:

1. Gain an understanding of the necessity for early intervention in an inclusive approach to early childhood education. A,B
2. Identify recommended practices and elements for inclusive early childhood programs. A,B
3. Exhibit knowledge of legislation dealing with early intervention and prevention. A,B
4. Exhibit knowledge of the causes and classification of developmental disabilities. A,B
5. Identify characteristics of developmental disabilities and at-risk conditions. A,B
6. Gain an understanding of the assessment process in dealing with young children with developmental disabilities. A,B
7. Gain an understanding of the screening and diagnostic instruments used with young children with developmental disabilities and how to interpret the readings. A,B
8. Learn how to work effectively with a multi-disciplinary team in an effort to coordinate an appropriate educational program integrating parents, school, and community resources. A,B
9. Identify the approaches that are used in implementing developmentally appropriate learning experiences in preparing teachers for inclusive programs. A,B

*Letters after performance expectations reference the course objectives listed above.

V. Evaluation:

A. Testing Procedures:

   Students will complete a pre and post inventory on their knowledge of exceptional children through an entry exam and a comprehensive final exam.

B. Laboratory Expectations:

   Students will keep a journal, reflecting on each class topic. They will share in writing the knowledge they have learned and how they will use this knowledge in the classroom.

C. Field Work:

   Students will observe and assess different early childhood education programs at various sites.

VI. Policies:

A. Attendance Policy:

   Pellissippi State Technical Community College expects students to attend all scheduled instructional activities. As a minimum, students in all courses must be present for at least 75 percent of their scheduled class and laboratory meetings in order to receive credit for the course.

B. Academic Dishonesty:
Please refer to the current Pellissippi catalog.

C. Accommodations for disabilities:

If you need accommodations because of a disability, if you have emergency medical information to share, or if you need special arrangements in case the building must be evacuated, please inform the instructor immediately. Please see the instructor privately after class or in his/her office. Students must present a current accommodation plan from a staff member in Services for Students with Disabilities (SSWD) in order to receive accommodations in this course. Services for Students with Disabilities may be contacted by going to Goins 127 or 131 or by phone: 694-6751 (Voice/TTY) or 539-7153.
