II. Course Goals*:

The course will

A. Expand the student’s awareness and basic understanding of philosophy and its various branches. II.4

B. Expand the student’s knowledge of the questions/problems that have occupied philosophers during the last twenty-five centuries. II.1, II.4, II.6

C. Develop the student’s ability to think critically about traditional philosophical questions/problems. I.7, II.1, II.4, II.6

D. Foster an enhanced ability to think critically about various other philosophical issues. I.2, I.7, II.6, III.2

E. Build skills to articulate ideas about philosophical issues. I.2, I.3, I.4, I.5, I.7, II.1, II.6, III.2

*Roman numerals after course objectives reference the university parallel program General Education Goals

III. Expected Student Learning Outcomes*:

Students will be able to:

1. Sketch the development of epistemology from Plato through Kant. A, B, E

2. Discuss the major challenges in relating experience and reality. B, E

3. Evaluate practical, metaphysical, and ontological arguments for and against existence of God. B, C, E

4. Evaluate perspectives on the nature of man and free will. B, C, E

5. Compare and contrast the foundations of government and justifications for political action as seen by the Greeks, Hobbes, Locke, and J. S. Mill. B, C, E

6. Write papers that apply critical thinking skills (logic) to contemporary philosophical problems not directly covered in the class. D, E
* Capital letters after Expected Student Learning Outcomes reference the course goals listed above.

IV. Evaluation:

   A. Testing Procedures: 20% of grade
      
      Two comprehensive, short answer exams; one covering the first half of the course, the other covering the second half

   B. Laboratory Expectations:
      
      N/A

   C. Field Work: 50% of grade
      
      Critical Essays; two at 25% each

   D. Other Evaluation Methods: 30% of grade
      
      Classroom Participation: Each day, students will execute a signed contract that quantifies their preparation and participation (arriving on time, staying for the entire class, studying the reading assignment, contributing to class discussion, etc.)

   E. Grading Scale:
      
      - 100-90 = A
      - 89-85 = B+
      - 84-80 = B
      - 79-75 = C+
      - 74-70 = C
      - 69-60 = D
      - 59-00 = F

V. Policies:

   A. Attendance Policy:
      
      Pellissippi State expects students to attend all scheduled instructional activities. As a minimum, students in all courses (excluding distance learning courses) must be present for at least 75 percent of their scheduled class and laboratory meetings in order to receive credit for the course. Individual departments/programs/disciplines, with the approval of the vice president of the Learning Division, may have requirements that are more stringent. In very specific circumstances, an appeal of the policy may be addressed to the head of the department in which the course was taken. If further action is warranted, the appeal may be addressed to the vice president of the Learning Division.

   B. Academic Dishonesty:
      
      Academic misconduct committed either directly or indirectly by an individual or group is subject to disciplinary action. Prohibited activities include but are not limited to the following practices:
      • Cheating, including but not limited to unauthorized assistance from material, people, or devices when taking a test, quiz, or examination; writing papers or reports; solving problems; or completing academic assignments.
      • Plagiarism, including but not limited to paraphrasing, summarizing, or directly quoting published or unpublished work of another person, including online or computerized services,
without proper documentation of the original source.
• Purchasing or otherwise obtaining prewritten essays, research papers, or materials prepared by another person or agency that sells term papers or other academic materials to be presented as one’s own work.
• Taking an exam for another student.
• Providing others with information and/or answers regarding exams, quizzes, homework or other classroom assignments unless explicitly authorized by the instructor.
• Any of the above occurring within the Web or distance learning environment.

C. Accommodations for disabilities:

Students who need accommodations because of a disability, have emergency medical information to share, or need special arrangements in case the building must be evacuated should inform the instructor immediately, privately after class or in her or his office. Students must present a current accommodation plan from a staff member in Services for Students with Disabilities (SSWD) in order to receive accommodations in this course. Services for Students with Disabilities may be contacted by going to Goins 127, 132, 134, 135, 131 or by phone: 539-7153 or TTY 694-6429. More information is available at www.pstcc.edu/departments/swd/.
