V. Policies:

A. Attendance Policy:

Pellissippi State expects students to attend all scheduled instructional activities. As a minimum, students in all courses (excluding distance learning courses) must be present for at least 75 percent of their scheduled class and laboratory meetings in order to receive credit for the course. Individual departments/programs/disciplines, with the approval of the vice president of the Learning Division, may have requirements that are more stringent. In very specific circumstances, an appeal of the policy may be addressed to the head of the department in which the course was taken. If further action is warranted, the appeal may be addressed to the vice president of Academic Affairs.

Attendance is critical since if a student is not in class, s/he can not participate and will lose participation grade for the day. Additionally, the final grade will be lowered one step on the grading scale for each hour missed after six (6).

B. Academic Dishonesty:

Academic misconduct committed either directly or indirectly by an individual or group is subject to disciplinary action. Prohibited activities include but are not limited to the following practices:

- Cheating, including but not limited to unauthorized assistance from material, people, or devices when taking a test, quiz, or examination; writing papers or reports; solving problems; or completing academic assignments.
- Plagiarism, including but not limited to paraphrasing, summarizing, or directly quoting published or unpublished work of another person, including online or computerized services, without proper documentation of the original source.
- Purchasing or otherwise obtaining prewritten essays, research papers, or materials prepared by another person or agency that sells term papers or other academic materials to be presented as one’s own work.
- Taking an exam for another student.
- Providing others with information and/or answers regarding exams, quizzes, homework or other classroom assignments unless explicitly authorized by the instructor.
- Any of the above occurring within the Web or distance learning environment.

C. Accommodations for disabilities:

Students who need accommodations because of a disability, have emergency medical information to share, or need special arrangements in case the building must be evacuated should inform the instructor immediately, privately after class or in her or his office. Students must present a current accommodation plan from a staff member in Services for Students with Disabilities (SSWD) in order to receive accommodations in this course. Services for Students
with Disabilities may be contacted by going to Goins 127, 132, 134, 135, 131 or by phone: 539-7153 or TTY 694-6429. More information is available at http://www.pstcc.edu/sswd/.

D. Other Policies:

**Quizzes and Exams**
Quizzes and chapter exams will be used to assess student proficiency of material covered in the chapter. **Be aware, no make-up quizzes or exams will be given.** At the end of the course, one quiz will be dropped before the final grades are calculated. If a student misses any chapter exam for any reason s/he will be required to take a comprehensive final exam. The final exam is optional for all students who have taken the 3 chapter exams. However, any student may take the final comprehensive exam. If the score is higher than one of the 3 Chapter Exam scores, it will replace that score.

**Homework**
Graded homework consists of work assigned in the Facetas Supersite online workbook and lab manual and any other work assigned by the instructor to be turned in for a grade.

**Preparation and Participation**
Spanish will be used in the classroom to the greatest extent possible and students are expected to be prepared each day to do the assigned material in Spanish.

**Special Accommodations**
“If you need accommodations because of a disability, if you have emergency medical information to share, or if you need special arrangements in case the building must be evacuated, please inform me immediately. Please see me privately after class or in my office. Students must present a current accommodation plan from a staff member in Services for Students with Disabilities in order to receive accommodations in this course. Services for Students with Disabilities may be contacted by going to Goins 125, 127 or 131, or Alexander 105 or by phone 694-6751 (Voice/TDY), 539-7091 or 539-7249.”
