

Pellissippi State Community College
Master Syllabus

WEB SPECIAL TOPICS
WEB 2501

Class Hours: 3.0
Laboratory Hours: 0.0

Credit Hours: 3.0
Revised: Spring 2017

Catalog Course Description

A directed study and utilization of specific applications and software products within business and industry relevant to Web design. May be repeated, maximum 3 credits.

Prerequisite(s)

CITC 2375 or WEB 1600 or consent of program coordinator

Textbooks(s) and Other Course Materials

Textbooks and materials will vary according to course content

Week/Unit/Topic Basis

Week Topic

- | | |
|------|--|
| 1-14 | Activities will vary according to course content and will include discussion, hands-on experience, and projects. |
| 15 | Final Exam and/or Final Project(s) |

Course Goals

NOTE: Roman numerals after Course Goals reference the goals of the Media Technologies program.

The course will

- A. Guide students in developing an understanding of a specific aspect of web design through directed study, demonstrations, and/or assigned projects. (I, II, III, IV)
- B. Guide students to develop competence in a specialized field (particular to special topics) which will be applicable to design. (I, II, IV, VI)
- C. Guide students to demonstrate design and layout skills in web presentation related to the special topic. (I, II, VI)

Expected Student Learning Outcomes*

NOTE: Capital letters after Expected Student Learning Outcomes reference the Course Goals listed above.

The student will

- 1. Demonstrate an awareness of the application of the specific field of study within the local web design market and or the global media market. (A, C, D)

2. Apply concepts learned to web design in other courses and in the professional field. (A, C)
3. Exhibit knowledge of the basic concepts which are enhanced by participation in the specialty of this course. (A, B, C, D)
4. Complete assigned projects and accept constructive criticism of one's work. (A, B, C, D)
5. Articulate the value and application of the specialty to the wider use of web design. (A, B, C, D)
6. Contribute to course discussion and use appropriate terminology. (B)

Evaluation

Testing Procedures:

The specific evaluation methods will vary according to the course content.

Laboratory Expectations:

The specific evaluation methods will vary according to the course content.

Field Work:

N/A

Other Evaluation Methods: 100% of grade

The specific evaluation methods will vary according to the course content. However, class participation, assigned homework, projects, and/or quizzes may be part of the evaluation process.

Grading Scale:

A	90-100
B+	86-89
B	80-85
C+	76-79
C	70-75
D	60-69
F	0-59

Policies

Attendance Policy

Pellissippi State expects students to attend all scheduled instructional activities. As a minimum, students in all courses (excluding distance learning courses) must be present for at least 75 percent of their scheduled class and laboratory meetings in order to receive credit for the course. Individual departments/programs/disciplines, with the approval of the vice president of Academic Affairs, may have requirements that are more stringent. In very specific circumstances, an appeal of the policy may be addressed to the head of the department in which the course was taken. If further action is warranted, the appeal may be addressed to the vice president of Academic Affairs.

Academic Dishonesty

Academic misconduct committed either directly or indirectly by an individual or group is subject to disciplinary action. Prohibited activities include but are not limited to the following practices:

- Cheating, including but not limited to unauthorized assistance from material, people, or devices when taking a test, quiz, or examination; writing papers or reports; solving problems; or completing academic assignments.
- Plagiarism, including but not limited to paraphrasing, summarizing, or directly quoting published or unpublished work of another person, including online or computerized services, without proper documentation of the original source.
- Purchasing or otherwise obtaining prewritten essays, research papers, or materials prepared by another person or agency that sells term papers or other academic materials to be presented as one's own work.
- Taking an exam for another student.
- Providing others with information and/or answers regarding exams, quizzes, homework or other classroom assignments unless explicitly authorized by the instructor.
- Any of the above occurring within the Web or distance learning environment.

Please see the Pellissippi State Policies and Procedures Manual, Policy 04:02:00 Academic/Classroom Conduct and Disciplinary Sanctions for the complete policy.

Accommodations for Disabilities

Students that need accommodations because of a disability, have emergency medical information to share, or need special arrangements in case the building must be evacuated should inform the instructor immediately, privately after class or in her or his office. Students must present a current accommodation plan from a staff member in Disability Services (DS) in order to receive accommodations in this course. [Disability Services](#) (<http://www.pstcc.edu/sswd/>) may be contacted via [Disability Services email](#) or by visiting Alexander 130.
