*Strategies and outcomes listed after instructional processes reference Pellissippi State’s goals for strengthening general education knowledge and skills, connecting coursework to experiences beyond the classroom, and encouraging students to take active and responsible roles in the educational process.

IV. Expectations for Student Performance*:

Upon successful completion of this course, the student should be able to:

1. Identify the personnel functions in a credit union.  
2. Identify key issues in human behavior that occur in an organizational setting.  
3. Define the environment for the management of personnel in the 1990's.  
4. Budget and plan for staffing the personnel responsibilities in a credit union.  
5. Identify the benefits of a successful personnel system.  
6. Access the need for policies in particular personnel areas and criteria for evaluating existing policies.  
7. Describe the process of policy implementation, revision, and administration.  
8. Identify terminology and structures that are useful in defining jobs.  
9. Describe the application of job analysis in a credit union.  
10. Identify methods of recruitment, selection, and screening useful for credit unions.  
11. Design an employee termination procedure.  
12. Identify social, legal and employment concerns and their relationship.  
13. Examine interviewing as an interpersonal communication skill required by all supervisors and administrators.  
14. Identify the key areas for orientation to the credit union and to the specific supervisor and unit.  
15. Design a system for developing and measuring performance.  
16. Access how to determine the amount and kind of training resources needed.  
17. Describe techniques to identify and access problem employees.  
18. Access the source(s) of performance problems.  
19. Explore the rationale for a formal compensation program for the credit union.  
20. Develop a review cycle for maintaining and evaluating the effectiveness of the compensation program.  
21. Describe the information needs of the personnel management system and the types of records to be maintained.  

*Letters after performance expectations reference the course objectives listed above.
