--Collusion--allowing other people to write, revise, or alter
significantly the text of an assignment that is supposed to be your work alone
A student will receive a zero for the first incident of academic dishonesty and will fail the
course if there is a second incident.

C. Other Policies:

Promptness is an important characteristic of successful students and employees. Late arrivals
are disruptive to the instructor and the other students. As a result, students are expected to
arrive for class before attendance is taken and remain until class is dismissed. Each tardy
counts as 1/3 absence.
