As a minimum, students in all courses must be present for at least 75 percent of their scheduled class and laboratory meetings in order to receive credit for the course. Attendance is essential to perform well in this course. Absenteeism is recorded, not excused. Twelve (12) hours of absences will result in an automatic "F" for the course.

##### B. Academic Dishonesty:

Nowhere are personal and professional ethics as important as in legal work, where court rules

require avoiding even the appearance of unethical conduct. Verified unethical conduct at the legal clinic site may result in removal from the clinic and an “ F” in this course.

C. Other Policies:

Due dates are crucially important in any law office. Missing a due date can cause disastrous consequences for clients. An equal level of professionalism will be expected regarding seminar work. Late papers or oral presentations will not be accepted without specific approval from the instructor.
