

PELLISSIPPI STATE COMMUNITY COLLEGE LEARNING SUPPORT COMPETENCIES

ENGLISH

Competency 1 is completed by passing ENGL 0803.

Competency 2 is completed by passing ENGL 0805.

READING

Competency 1 is completed by passing READ 0802.

Competency 2 is completed by passing all required READ 0803-0805.

MATHEMATICS

Competency 1 is completed by passing MATH 0801

Competency 2 is completed by passing MATH 0802.

Competency 3 is completed by passing MATH 0804*

Competency 4 is completed by passing MATH 0803*

Competency 5 is completed by passing MATH 0805.

* the numbers 3 & 4 are transposed intentionally .

For information on DSP equivalencies, see chart, below, under Repeat Credit.

Rubric/ No.	Title	Description	Prerequisites	Corequisites	Credit hours	Repeat Credit
ENGL 0800	Essential Writing	Development of process-based writing strategies in preparation for college level courses across the curriculum as well as the workplace. The course emphasizes writing effective sentences, paragraphs and essays in various modes of delivery and rhetorical contexts.	Placement Test	ENGL 0801, 0802, 0803, 0804, or 0805	0	(0 credits)
ENGL 0810	Introduction to College Writing	Development of process-based writing strategies in preparation for college level courses across the curriculum as well as the workplace. The course emphasizes writing effective paragraphs and essays in various modes of delivery and rhetorical contexts.	Placement Test or ENGL 0800	ENGL 0802, 0803, 0804, or 0805	0	(0 credits)
ENGL 0820	Accelerated Writing	Development of process-based writing strategies in preparation for college level courses across the curriculum as well as the workplace. The course emphasizes writing effective sentences, paragraphs and essays in various modes of delivery and rhetorical contexts.	None	ENGL 0804, or 0805	0	(0 credits)
ENGL 0801	Sentences & Paragraphs	Development of process-based writing strategies in preparation for college level courses across the curriculum as well as the workplace. The course emphasizes writing effective sentences and paragraphs.	None	ENGL 0800	1	no
ENGL 0802	Paragraph	Development of process-based writing strategies in preparation for college level courses across the curriculum as well as the workplace. The course emphasizes writing effective paragraphs.	None	ENGL 0800 or ENGL 0810	1	no
ENGL 0803	Reports	Development of process-based writing strategies in preparation for college level courses across the curriculum as well as the workplace. The course emphasizes writing effective reports.	None	ENGL 0800 or ENGL 0810	1	no
ENGL 0804	Informative Essays	Development of process-based writing strategies in preparation for college level courses across the curriculum as well as the workplace. The course emphasizes writing effective essays in various modes of delivery and rhetorical contexts.	None	ENGL 0800 or ENGL 0810 or ENGL 0820	1	no
ENGL 0805	Argumentative Essays	Development of process-based writing strategies in preparation for college level courses across the curriculum as well as the workplace. The course emphasizes writing effective argumentative essays.	None	ENGL 0800 or ENGL 0810 or ENGL 0820	1	DSPW 0870, 0800 & 0801
MATH 0800	Learning Support Mathematics	MATH 0800 builds competency in applying number sense, operating with real numbers and algebraic expressions, analyzing graphs, solving equations, modeling, and critical thinking. The course focuses on implementing problem solving strategies and developing mathematical connections, as well as developing study skills and communicating mathematically.	Placement test	MATH 0801, 0802, 0803, 0804, 0805	0	(0 credits)
MATH 0810	NA Course does not exist				0	
MATH 0820	Accelerated LS Mathematics	MATH 0800 builds competency in analyzing graphs and modeling, and critical thinking. The course focuses on implementing problem solving strategies and developing mathematical connections, as well as developing study skills and communicating mathematically.	PLACEMENT TEST OR MATH 0800	MATH 0804, or 0805	0	(0 credits)
MATH 0801	Number Sense and Operations	MATH 0801 builds competency in applying number sense and operating with real numbers. The course focuses on implementing problem solving strategies and developing mathematical connections, as well as developing study skills and communicating mathematically.	None	MATH 0800	1	DSPM 0891, 0892
MATH 0802	Algebraic Expressions	MATH 0802 builds competency in operating with real numbers and algebraic expressions. The course focuses on implementing problem solving strategies and developing mathematical connections, as well as developing study skills and communicating mathematically.	None	MATH 0800	1	DSPM 0891, 0892, 0893
MATH 0803	Linear Equations	MATH 0803 builds competency in solving equations. The course focuses on implementing problem solving strategies and developing mathematical connections, as well as developing study skills and communicating mathematically.	None	MATH 0800	1	DSPM 0894

Rubric/ No.	Title	Description	Prerequisites	Corequisites	Credit hours	Repeat Credit
MATH 0804	Linear Graphs	MATH 0804 builds competency in analyzing graphs. The course focuses on implementing problem solving strategies and developing mathematical connections, as well as developing study skills and communicating mathematically.	None	MATH 0800 or MATH 0820	1	DSPM 0895
MATH 0805	Modeling & Critical Thinking	MATH 0805 builds competency in modeling, and critical thinking. The course focuses on implementing problem solving strategies and developing mathematical connections, as well as developing study skills and communicating mathematically.	None	MATH 0800 or MATH 0820	1	DSPM 0896
READ 0800	Essential Reading	Designed for under-prepared students, the developmental reading course presents effective comprehension techniques for college-level selections. The course emphasizes (a) vocabulary development activities, (b) cognitive and metacognitive strategies for comprehension, (c) reasoning and analysis for critical comprehension, (d) effective reading/study strategies for retention and recall, and (e) flexible reading rate.	Placement Test	READ 080, or 0802, or 0803, or 0804, or 0805	0	(0 credits)
READ 0810	Academic and Personal Reading	Designed for under-prepared students, the developmental reading course presents effective comprehension techniques for college-level selections. The course emphasizes (a) vocabulary development activities, (b) cognitive and metacognitive strategies for comprehension, (c) reasoning and analysis for critical comprehension, (d) effective reading/study strategies for retention and recall, and (e) flexible reading rate.	Placement Test	READ 0802, or 0803, or 0804, or 0805	0	(0 credits)
READ 0801	Reading Strategies: Short Stories	Designed for under-prepared students, the developmental reading course presents effective comprehension techniques for college-level selections. The course emphasizes (a) vocabulary development activities, (b) cognitive and metacognitive strategies for comprehension, (c) reasoning and analysis for critical comprehension, (d) effective reading/study strategies for retention and recall, and (e) flexible reading rate while reading short stories.	Placement Test	READ 0800	1	no
READ 0802	Reading Strategies: Extended Discourse	Designed for under-prepared students, the developmental reading course presents effective comprehension techniques for college-level selections. The course emphasizes (a) cognitive and metacognitive strategies for comprehension, (b) reasoning and analysis for critical comprehension, and (c) flexible reading rate while reading a common book.	Placement Test	READ 0800 or READ 0810	1	no
READ 0803	Literary Analysis	Designed for under-prepared students, the developmental reading course presents effective comprehension techniques for college-level selections. The course emphasizes (a) cognitive and metacognitive strategies for comprehension, (b) reasoning and analysis for critical comprehension, and (c) flexible reading rate while reading fiction/nonfiction.	None	READ 0800 or READ 0810	1	no
READ 0804	Reading Strategies: Essays	Designed for under-prepared students, the developmental reading course presents effective comprehension techniques for college-level selections. The course emphasizes (a) vocabulary development activities, (b) cognitive and metacognitive strategies for comprehension, (c) reasoning and analysis for critical comprehension, (d) effective reading/study strategies for retention and recall, and (e) flexible reading rate while reading essays, poetry or plays.	None	READ 0800 or READ 0810	1	no
READ 0805	Vocabulary & Textbook Reading	Designed for under-prepared students, the developmental reading course presents effective comprehension techniques for college-level selections. The course emphasizes (a) vocabulary development activities, (b) cognitive and metacognitive strategies for comprehension, (c) reasoning and analysis for critical comprehension, (d) effective reading/study strategies for retention and recall, and (e) flexible reading rate while reading textbooks.	None	READ 0800 or READ 0810	1	DSPW 0725, DSPR 0800
