EAST TENNESSEE STATE UNIVERSITY: Bachelor of General Studies (BGS)

- The Bachelor of General Studies (BGS) provides adult students with an alternative to traditional degree programs. It is intended for the mature student, age 21 or older, who wishes to complete an undergraduate degree while still maintaining employment and family responsibilities.
- Students must meet ETSU Admissions requirements and must also apply for admission to the BGS program and be formally admitted to the program.
- Working with a BGS academic advisor, the student will develop an individualized program of study (course sequence) for the junior and senior year that is specifically tailored to the student's learning needs.
- A minimum of 128 credit hours required for graduation/receipt of the Baccalaureate degree.
- Transfer students with an associate degree designed for transfer or with 60 or more transferable semester credits are required to take two writing intensive, one oral communication, and two using information technology courses. You must take these courses at ETSU; transfer credits for courses taken at other institutions does not satisfy the intensive requirements. Your BGS advisor at ETSU will help you identify and choose these courses.
- For additional information, contact the Bachelor of General Studies Office at (423) 439-4223.
