NOTE: For more information, contact East Tennessee State University, College of Applied Science and Technology, Department of Technology (423) 439-7813. Transfer students with an associate degree earned through an articulated major/concentration are required to take two writing, one oral communication and two using information technology intensive courses. You must take these courses at ETSU; transfer credits for courses taken at other institutions does not satisfy the intensive requirements. Your Technology advisor at ETSU will help you identify and select these courses.
