NOTE: For more information, contact East Tennessee State University, College of Applied Science and Technology, Department of Applied Human Sciences, (423) 439-7532. Transfer students with an associate degree earned through an articulated major/concentration are required to take two writing, one oral communication and two using information technology intensive courses. You must take these courses at ETSU; transfer credits for courses taken at other institutions does not satisfy the intensive requirements. Students following this outline need one more using information technology intensive course. Your advisor at ETSU will help you identify and select these courses.
