NOTES:

- Surveying and mapping is accredited by the Engineering-Related Accreditation Commission of the Accreditation Board for Engineering and Technology (RAC of ABET).
- For more information, contact East Tennessee State University, College of Applied Science and Technology, Department of Geography, Geology, and Geomatics (423) 439-7654.
- Transfer students with an associate degree designed for transfer or with 60 or more transferable semester credits are required to take two writing intensive, one oral communication, and two using information technology courses. You must take these courses at ETSU; transfer credits for courses taken at other institutions does not satisfy the intensive requirements. Your Surveying and Mapping advisor at ETSU will help you identify and select these courses.
