¹An overall GPA of 2.5 or better is required. In common computer & information science core courses and the concentration specific courses, a 'C-' or better grade is required.

³When selecting courses, be sure the required number of writing, oral, and technology intensives are fulfilled.

an articulated major/concentration are required to take two writing, one oral communication and one using information technology intensive courses. You must take these courses at ETSU; transfer credits for courses taken at other institutions do not satisfy the intensive requirements. Your Computer Science advisor at ETSU will help you identify and select these courses.

Transfer students with an associate degree earned through
