	40 [43] ¹		37-47 ¹

TOTAL HOURS: 77-87 [80-90]¹

TOTAL DEGREE CREDITS: 144-155 [147-158]¹

¹Course substitutions in your major may occur with the approval of the ETSU academic department chair.

For more information, contact East Tennessee State University, College of Business & Technology, Department of Technology & Geomatics (423) 439-7813.

Transfer students with an associate degree earned through an articulated major/concentration are required to take two writing, one oral communication and one using information technology intensive courses. You must take these courses at ETSU; transfer credits for courses taken at other institutions do not satisfy the intensive requirements. Your Technology advisor at ETSU will help you identify and select these courses.
