¹Construction Engineering Technology is an ABET accredited program.

²Civil Engineering Technology is an ABET accredited program.

³Course substitutions in your major may occur with the approval of the ETSU academic department chair.

For more information, contact East Tennessee State University, College of Business & Technology, Department of Technology and Geomatics (423) 439-7813.

USING INFORMATION TECHNOLOGY proficiency required, either by passing a proficiency exam or CSCI 1100 completion. See the website <http://www.etsu.edu/uit> for proficiency exam or call (423) 439-6964 for additional information to register.

Transfer students with 60 or more transferable hours are required to take half the intensive requirements of native students. Therefore, you will need two writing, one oral communication, and one using information technology intensive courses. You must take these courses at ETSU; transfer credit does not satisfy the intensive requirements. Your advisor at ETSU will help you select these courses.
