	35		30

TOTAL HOURS: 65

TOTAL DEGREE CREDITS: 125

¹An overall GPA of 2.5 or better is required. In common computer & information science core courses and the concentration specific courses, a 'C-' or better grade is required.

²Not Transferable

³When selecting courses, be sure the required number of writing, oral, and technology intensives are fulfilled.

USING INFORMATION TECHNOLOGY proficiency required, either by passing a proficiency exam or CSCI 1100 completion. See the website <http://www.etsu.edu/uit> for proficiency exam or call (423) 439-6964 for additional information to register.

Updated 8/3/04

Transfer students with 60 or more transferable hours are required to take half the intensive requirements of native students. Therefore, you will need two writing, one oral communication, and one using information technology intensive courses. You must take these courses at ETSU; transfer credit does not satisfy the intensive requirements. Your advisor at ETSU will help you select these courses.
