<sup>1</sup>An overall GPA of 2.5 or better is required. In common computer & information science core courses and the concentration specific courses, a 'C-' or better grade is required as well as in ENGL 1010 and 1020.

USING INFORMATION TECHNOLOGY proficiency required, either by passing a proficiency exam or CSCI 1100 completion. See the website <http://www.etsu.edu/uit> for proficiency exam or call (423) 439-6964 for additional information to register.

Transfer students with 50 or more transferable hours are required to take half the intensives requirements; two writing, one oral, and one using information technology. You must take these courses at ETSU as transfer credit does not satisfy the intensive requirements. In this articulation agreement, these courses are indicated by: Writing (W), Oral (O), and Using Information Technology (T). NOTE: Intensive courses are built into ETSU program requirements. They are not additional hours.
