AGENDA ITEMS DISCUSSED

- I.** Approval of 10/25/2000 minutes
- II.** Curriculum Changes

ACTIONS TAKEN

- I.** 10/25/2000 minutes were approved as written.
- II.** Curriculum Changes (see attached summary):
Paul Baxter answered questions regarding the GIS changes. All changes were approved with the exception of MKT 2260, which was returned to review the math prerequisite issue. Clarification was given 11/3 from Cynthia Dempster and Anne Swartzlander that students in MKT 2260 should have college-level math skills. The R/D chart for next year's catalog will be updated to reflect this.
- III.** The CDC meeting for November 6 was cancelled due to the start of early registration and a faculty council meeting in the same week. The next meeting will be Wednesday, November 15, at 3:00 in AL 220.
