**AGENDA ITEMS DISCUSSED**

- I.** Welcome Back
- II.** Submission of General Education Additions
- III.** Submission of General Education Deletions
- IV.** Upcoming CDC Issues
- V.** Next Meeting

**ACTIONS TAKEN**

- I.** Ely Driver, the 2004-05 CDC chair, welcomed members to the meeting and allowed each to introduce themselves. New members include: Cynthia Arnold, Business & Computer Technology; Harriet Lynn Ford, English; Vida Hashemian, Engineering & Media Technologies; Maggie Jenkins, English; and Anita Maddox, Liberal Arts.
- II.** MATH 1710 (Precalculus Algebra) and MATH 1720 (Precalculus Trigonometry) were approved last year for the mathematics general education category and will be submitted to TBR for final approval in mid-October. MUS 1040, Music in World Cultures, was approved to fulfill the humanities/fine arts general education category, pending a few minor revisions to the syllabus. A health/wellness course (for the social/behavioral sciences category) and a media technologies course (for the humanities/fine arts category) will be submitted to the general education subcommittee within the next week.
- III.** The general education subcommittee could not justify any deletions to the current general education list.
- IV.** Upcoming CDC issues include a new concentration in Civil Engineering Technology (Surveying) and a new program in Media Technologies (which merges the current CGT, PHO, VPT, and WEB programs).
- V.** The next CDC meeting is not currently scheduled. Members will vote on the remaining two general education courses via email when the paperwork is submitted.
