

REGISTRATION FORM

CONNECT THE PIECES WITH STUDENT LIFE & RECREATION

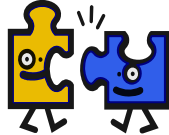

PassPort is an incentive program designed to get students involved and connected with events, resources, departments, instructors, staff and others outside the classroom. **PassPort** rewards student participation in official **PassPort** activities on campus.

When you attend (3) **PassPort** events, you will receive a cool T-Shirt! With every event you attend, you will earn one entry into the grand prize drawing for a laptop computer! The more you participate, the more chances you have to win at the **BIG BASH** at the end of the semester! *(Directions on how to register your **PassPort** stamps for the drawing will be given later in the semester)*

When you register, you will receive your official **PassPort**. Take it to every official activity and get it stamped. Look for the **PassPort** puzzle “**Connect the Pieces**” symbol below!

PassPort Events can be found on our website at:

www.pstcc.edu/departments/student_life/calendar.html
