

Students with Disabilities Checklist for College

In General:

- Assess college/career goals for post high school.
- Take ACT/SAT with appropriate accommodations.
- Practice being a “self-advocate” by being able to explain your disability and the kinds of accommodations you need.
- Make sure your documentation of disability is up-to-date and meets college guidelines.
- Contact your local Vocational Rehabilitation Office for an appointment to discuss the possibility of assistance.

At Pellissippi State:

- Fill out an application for admission and pay \$10 fee.
- Apply for financial aid.
- Submit official high school/college transcripts and ACT scores to Admissions office.
- After you are officially admitted, disclose disability and provide appropriate disability documentation to Services for Students with Disabilities (disclosure is voluntary, but encouraged).
- Check with the Admissions office to see if you need to take the placement test before enrolling.
- Contact Services for Students with Disabilities office BEFORE taking the placement test to request accommodations (requests are voluntary, but encouraged).
- Take the placement test if necessary.
- Schedule an advising appointment to register for classes.
- Contact Services for Students with Disabilities to request accommodations or other services (requests are voluntary, but encouraged).
- Attend Pellissippi State orientation program for new students.
- Pay tuition, buy books, and attend class.
