It is my understanding that I may borrow the following items for use during the Spring 2008 Semester. These items are the property of TRiO Student Support Services at Pellissippi State and must be returned by the due date of May 2, 2008.

I also understand that the items must be returned to the TRiO Office, ERC 218, no later than May 2, 2008. If the items are not turned in by that date, I understand that there will be a hold placed on my Pellissippi State grades/transcripts/registration until all of the items are returned. If I turn items in late, I may lose priority in checking out materials for the next semester.

*I agree that if I lose or damage the items I will be responsible for replacing them.*
