- ◆ August 27: First day of Fall Semester/TRiO Meet and Greet
- ◆ September 3: PSTCC Closed
- ◆ September 4: Last day to request tutoring
- ◆ September 10: Tutoring begins

We're rapidly approaching the end of another semester, and the TRiO Tribune would like to remind everyone that TRiO services will continue throughout the summer for our students taking summer courses. Tutoring is available, so if you need a tutor (or want to become one!) let us know as soon as you get your schedule!

We've had an eventful, productive year, and it's been a pleasure serving everyone in TRiO. We'd also like to thank our tutors, who have done a wonderful job this semester. Congratulations to everyone who is graduating or moving on to other schools. Although you may go on to bigger and better things, don't forget about us here in TRiO! Email the Tribune and keep us up-to-date on all your achievements. We'd love to hear from all of you!

We look forward to seeing everyone return again in the summer and fall. The Tribune will publish one summer edition, so keep an eye out for it!

Happiness is having a scratch for every itch.
-Ogden Nash

Featured Student: Emir Hambo

If you haven't seen Emir in TRiO, you've probably been run off the road by him in his Mustang. When he's not out driving recklessly, Emir tutors math. This semester is his last at Pellissippi.

As a non-native Knoxvilleian, what do you like best about living in Knoxville?
I guess the small town feeling.

This is your last semester at Pellissippi. Where are you heading next?
Hopefully ETSU...maybe UTM.

What's your favorite joke?
I don't know...I'll laugh at anything.

What was your favorite TRiO trip or event?
The Chattanooga aquarium.

You could win a TRiO Incentive Point! Just answer the following question correctly:
Which Federal program did TRiO evolve from?

- A. Educational Opportunity Act, 1956
- B. Upward Bound, 1964
- C. Student Incentive Act, 1976
- D. Progressive College Program, 1982
