Our Library Has More Than Just Books!

Small but efficient! You have access to over 60,000 books plus over 50,000 electronic books and 300+ periodicals owned by Pellissippi State while you're at the Division St. campus.

Your student ID is also your library card. With this card, you can check out library materials and reserve items. If you are a **new** student, pick up your card at the circulation desk. If you are a **returning** student, you must update your card at the beginning of each semester.

Reference Workstations. We are always happy to assist you in your research needs. Four reference workstations loaded with access to the internet as well as a variety of databases (many full-text), such as:

--Academic OneFile, Discovering Collection, Westlaw, Literature Resource Center, Access Science, Wall Street Journal, Wilson Omnifile, and the Pellissippi Online Catalog, are available for research.

Interlibrary Loan Service. If the book or article you need is not available at Division Street, you may request it from the Pellissippi campus library. Within 1-2 days, your book or article can be picked up at the Div. St. ERC circulation desk, Room 208.

UT/TBR Borrower's Card. Request the UT Borrower's Card at our circulation desk. Renewable each semester, this card allows you to check out materials at the Univ. of Tennessee library or any college under the Tennessee Board of Regents (TBR). The card will not allow you to use UT computer labs.
