Section 1.1 Homework - Due in class Wednesday, January 20

Name: ____________________________________________________

These problems start on page 14 of your text book.

#4) Discuss each hint for success (see bottom of page 3) from your own perspective. Explain why you agree or disagree with each one.
Hint #1: You must make a commitment to attend each class.

Hint #2: You must make a commitment to daily work.

Hint #3: Read the text carefully.

Are there any other hints you would add to these three?

#20) How much do the walnuts weigh alone? _______________________ Show how you obtained this answer below.

#44) Answer: __________________

#48) Answer: _________________ Explain how you got this answer below. Think about this one before answering right away.
