

Template for Hypothesis Testing

Use these templates when doing your hypothesis test homework in Chapter 8. These are the things I will ask for when you perform a formal hypothesis test.

Claim: _____ H_0 : _____ H_1 : _____

Type of test (left, right, or two tail): _____

Critical value(s): _____

Decision Test: Reject H_0 if _____

Test Statistic: _____

Write the formula you used (or would use) to calculate the above test statistic:

H_0 Conclusion: _____

Wording of final conclusion (write a complete sentence):

Claim: _____ H_0 : _____ H_1 : _____

Type of test (left, right, or two tail): _____

Critical value(s): _____

Decision Test: Reject H_0 if _____
