

Pellissippi State Community College
International Student Peer Mentor Program

The International Peer Mentor Program provides peer mentors to new international students during their adjustment to life in the U.S. and at Pellissippi State Community College during their first semester of study. They serve as a reassuring voice of support and information for the new students through participation in orientation programming and activities throughout the semester.

Objectives

1. To offer hospitality to our newest international students
2. To serve as a source of cultural information about life in the U.S
3. To serve as a source of information about institutional procedures
4. To connect international students to campus and community resources (people, offices, services, businesses, etc.)
5. To introduce international students to other college students
