

This month's Featured Databases:

Next time, try [AGent Federated Search](#)

AGent is a versatile cross-platform application that allows simultaneous searching of **10 selected databases**. The search summary screen summarizes the search results for each selected database. Choose from 58 databases!

Results are organized into **Categories** which appear in the same order in which they appear on the **Search Screen**.

To view actual search results, select the number under **Results**.

(Try the Library's [What Do I Read Next](#) database. It is designed to help you discover new titles by your favorite authors and other titles you might like to read.)

New Books! The Library posts a list of newly purchased books each month. To view a complete list of new books purchased lately, visit:

<http://www.pstcc.edu/library/libserve/newbook.htm> or visit the Reference center area at the Pellissippi campus.

If you are at a satellite campus and want to check out that new book, go to the **Online Catalog**, find the book title, print out the title record page, and bring it to the ERC circulation desk. We'll get the book for you in 1-2 days! **Here are just a few titles:**
