Thank you for taking the time to read the 2010 Campus Security Report. This report is based on crime statistics reported during the previous year and designed to provide you with important information about your safety and security on the Pellissippi State campuses. Many people are involved in keeping our campuses safe and secure. However, truly safe campuses can only be achieved through the cooperation of the entire college community including students, faculty, and staff. This report is part of our effort to ensure that this collaborative endeavor is effective. Please read it carefully and use the information provided to join our efforts in fostering a safe environment for yourself and others on our campuses.

Director of Safety & Security

SECURITY AUTHORITY AND JURISDICTION

Pellissippi State Community College security officers have the authority to ask persons for identification and to determine whether individuals have lawful business at the college. PSCC security officers also have the authority to issue citations for parking and for operating vehicles in an unsafe manner on the college's campuses. Citations are billed to financial accounts of students, faculty, and staff. Safety and Security officers do not possess arrest power over and above the ability of the average citizen. Criminal incidents are referred to the local police who have jurisdiction on the campus. The Safety and Security Office at PSCC maintains a close working relationship with the Knox County Sheriff's Department, Knoxville City Police Department, and the Blount County Sheriff's Department. All crime victims and witnesses are strongly encouraged to immediately report any crime to the campus Safety and Security Office and the appropriate police agency. Prompt reporting will assure timely warning notices on-campus and timely disclosure of crime statistics.

If a student commits a minor offense involving college rules and regulations, the Department of Safety and Security may refer the offender to the Vice President of Student Affairs. Any faculty or staff member committing minor offenses of college rules and regulations will be referred to the Vice President of Academic Affairs or the Vice President of College Advancement. Any visitors committing offenses may be reported to the local law enforcement agency.

Major offenses and/or violation of local, state, or federal statutes are reported to the respective law enforcement agency (Knox County Sheriff's Department, Knoxville City Police Department, and the Blount County Sheriff's Department). Communications with all law enforcement agencies allows Pellissippi State's Department of Safety and Security to be aware of any criminal activity surrounding the campuses and also allows us to assist in arrests of criminals who might be found on college property.

TIMELY WARNINGS

In the event that a situation arises, either on or off campus that in the judgment of the Director of Safety & Security or the College Administration constitutes an ongoing or continuing threat, a campus wide *timely warning* will be issued. The warning will be issued through the college e-mail system, and/or the text messaging system to students, faculty, and staff. Depending on the particular circumstances of the crime, especially in all situations that could pose an ongoing threat to the community and individuals, there may be notices posted in the college buildings, as well as notices on the college Safety & Security website at: <http://www.pstcc.edu/security/index.php>.

Anyone with information warranting a timely warning should report the circumstances to the Department of Safety & Security, by phone (694-6649) or in person at the main Security office in Goins 101 or the front administration desk of the particular branch campus where you may be.

CAMPUS LOCATIONS

Pellissippi State Community College is comprised of four campuses. The Pellissippi Campus at 10915 Hardin Valley Road, Knoxville, TN, the Division Street Campus at 3435 Division Street, Knoxville, TN, the Blount County Campus at 2731 W. Lamar Alexander Parkway, Friendsville, TN, and the Magnolia Avenue Campus at 1610 E. Magnolia Avenue, Knoxville, TN.

CAMPUS ACCESS POLICY

During business hours, the college will be open to students, parents, employees, contractors, guests, and invitees. During non-business hours access to all college facilities is by key, if issued, or by admittance via the Department of Safety & Security. In the case of periods of extended closing, the college will admit only those with prior written approval. Some facilities may have individual hours, which may vary at different times of the year. In these cases, the facilities will be secured according to schedules developed by the department responsible for the facility. The official college policy may be accessed at <http://www.pstcc.edu/ppm/pdf/08-03-15.pdf>.

Pellissippi State Community College does not provide or maintain housing for students either on or off campus.

Emergencies may necessitate changes or alterations to any posted schedules. Areas that are revealed as problematic will have security surveys conducted. Administrators from the President's staff, Facilities, and other concerned areas may review these results. These surveys examine security issues such as landscaping, locks, alarms, lighting, and communications.

HOW YOU CAN LEARN MORE ABOUT CAMPUS SAFETY AND SECURITY

All students receive the official Student Handbook with sections on student conduct, security, and safety. Safety and security information is periodically provided through e-mail, the Pellissippi State web site, the student newspaper, and via the televisions located throughout the campus. New students and new employees receive a briefing on safety and security matters during orientation. Information is made available to all students and employees upon request.

CRIME STATISTICS

The following is a detailed listing of the crimes reported to the Pellissippi State Department of Safety and Security for the year 2010 and the previous two years as required by the Crime Awareness and Campus Security Act of 1990. Information is also provided by the Knox County Sheriff's Department, Knoxville City Police Department, and the Blount County Sherriff's Department.

A SAFE CAMPUS

Pellissippi State Community College offers both a stimulating educational environment and a safe one. Many individuals are involved in providing you with a safe learning environment to make your experience at Pellissippi State full of growth and as trouble-free as possible.

Uniformed security guards patrol the campuses during the time classes and events are held. The Pellissippi campus has security guards on campus 24 hours a day, 7 days a week. The guards patrol the buildings, parking lots, and the grounds. Surveillance cameras are placed throughout the interior and exterior of the buildings on the Blount County, Pellissippi, and Magnolia Avenue campuses (plans to install a surveillance camera system at the Division Street campus are being devised). Phones are placed in every classroom with the emergency number displayed on the phone.

Pellissippi State's security policies and procedures are aimed at your safety and welfare. You can help maintain your own safety on campus by following all security policies and by using common sense safety practices, such as walking in groups, reporting suspicious activities, not leaving your purse, coat, books, or backpacks, and other items unattended.

Remember, Safety and Security is Everyone's Responsibility

EMERGENCY RESPONSE AND EVACUATION PROCEDURES

In the event of a campus emergency, persons will be immediately notified of the emergency through the campus Emergency Notification System. This system consists of audible alarms and voice messages that can be broadcast through all campus buildings as well as exterior areas. Secondary notification and information may occur through text alerts, additional announcements, and/or email.

The college will without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless the notification will, in the professional judgment of responsible authorities, compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency.

Verification of an emergency will be conducted by the Safety & Security office or a member of the Critical Incident Management Team. Members of the team include, but are not limited to:

- College President
- College Vice Presidents
- Director of Facilities
- Director of Safety & Security

In the event of an emergency that may impact the surrounding community, information will be disseminated through the college's Marketing & Communications division.

The Emergency Response system will be tested at least annually.

MISSING STUDENT PROCEDURES

Pellissippi State Community College does not maintain on-campus housing for students and as such is not required to establish or maintain a procedure for missing students.

FIRE SAFETY STATISTICS

Pellissippi State Community College does not maintain on-campus housing for students and as such is not required to publish a separate annual fire safety report.

There were no fires reported on any of the campuses for the year 2010.

USE OF BUILDINGS AND FACILITIES

The policy concerning the use of college buildings and facilities was developed under the auspices of the Tennessee Board of Regents. Any outside group must submit written requests and related material to the Business and Community Services Department, Alexander Building Room 108. Please refer to Pellissippi State's policy on Facilities and Property Use, Number 08:03:00.

College policy 08:03:15 prescribes that all persons must report any entrance into administrative or faculty areas after 10:00 p. m. weekdays, on weekends, and all holidays to the Department of Safety and Security, Goins Building, Room 101. The individual must sign in on the "Pellissippi After Hours Book." Visitors, as a general rule, are not authorized in buildings after normal business hours unless escorted by faculty, staff, or a college official.

Except when part or all of the campus facilities are open to the general public for a designated time and purpose, the buildings and facilities of each campus are accessible only to the students, staff, faculty, guests, and other visitors of Pellissippi State Community College. However, there are limitations to this accessibility. All persons who utilize Pellissippi State's campuses must provide adequate identification, upon request, to appropriate Pellissippi State officials and security personnel. Refusal to do so may result in disciplinary action, a request to leave the campus, or arrest.

The Department of Safety and Security must receive written notification of all approved requests for use of campus buildings and facilities. Information regarding other limitations of access is available in the Safety & Security office, Goins Building, Room 101.

NOTIFICATIONS OF SECURITY ISSUES

The Department of Safety and Security uses the Pellissippi State web page, text messaging, the Pellissippi Press (student newspaper), the Pellissippi State internal TV system, Inside Pellissippi (faculty/staff newsletter), both employee and student e-mail, and new student and employee orientation sessions to keep the college community abreast of security concerns.

REPORTING SUSPICIOUS OR CRIMINAL ACTIVITY ON CAMPUS

You may report suspicious or criminal activity or any other emergencies by phoning the Department of Safety and Security at **6649** by campus phone or **694-6649** by pay phone, cell phone, or off campus phone. This is the **Emergency Phone** and is manned 24 hours a day, 7 days a week. You may also come by the office in the Goins Building, Room 101 (Pellissippi Campus) to receive an immediate response.

For branch campuses you may report suspicious or criminal activity to the front administration desk. The number for this desk is displayed on each phone in the respective campus building. From off campus or from cell phones you may call the respective campus as follows:

Blount County Campus	981-5300
Division Street Campus	971-5200
Magnolia Avenue Campus	329-3100

Suspicious or criminal activity may also be submitted confidentially through the **Silent Witness** and **Text in a Tip** programs.

The **Silent Witness** program can be accessed on the Safety and Security department home page or by going to: <http://www.pstcc.edu/security/tip.php>

The **Text in a Tip** program can be utilized by texting the tip to **67283**. Start the tip with **PSCCTIPS** followed by a space. Everything written after the space will be sent to the Text in a Tip database.

When complaints are received, they are documented on an Incident Report, which is entered into the computer within 48 hours, as required by law. The Security Daily Log is open for inspection by students, family, faculty, staff, and the general public at any time. Crimes may also be reported through the following persons:

Vice President for Student Affairs	Goins 109	694-6552

Branch Campus Assistant Deans	Magnolia Ave.	329-3100
	Division St.	971-5200
	Blount County	681-1064

VOLUNTARY CONFIDENTIAL REPORTING

If you are the victim of a crime and do not want to pursue action within the college system or the criminal justice system, you may still want to consider making a confidential report. With your permission, the Department of Safety & Security can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the College can keep accurate records of the number of incidents involving students, faculty, and staff, and determine where there may be a pattern of crime with regard to a particular

location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the college.

CAMPUS MAINTENANCE POLICIES TO KEEP YOU SAFE

Pellissippi State has installed and maintains exterior lighting around all of its buildings and parking lots, as well as additional sidewalk and street lighting, to keep the campuses well-lit. While maintaining an attractive campus, grounds crews keep shrubs and hedges low for student and employee safety.

On any normal workday, there are many college support personnel whose jobs include providing inspection of the entire campus and its buildings to discover and correct health, safety, and maintenance problems. There are facilities personnel on call 24 hours a day for emergency situations. In addition to these personnel, campus security officers and others tour the campus on a daily basis and report safety or security problems to the Safety & Security Department. Security personnel will be dispatched or the appropriate department will be notified to ensure the problem is corrected in a timely manner. Students as well as faculty and staff may also call the Facilities Department (694-6618) to report any maintenance problems. Safety problems may be reported to the Department of Safety and Security at 694-6646 (during normal weekday working hours of 8:00 a.m. to 4:30 p.m.) or 694-6649 (emergency number) after hours and on weekends.

POSSESSION AND USE OF WEAPONS

T.C.A. 39-17-1309 prohibits the possession of weapons, including firearms, on any property owned, used or operated by the Tennessee Board of Regents, including Pellissippi State.

Felony: State law prescribes a maximum penalty of six (6) years imprisonment and a fine not to exceed three thousand dollars (\$3,000) for carrying weapons on school property.

This notification is posted prominently throughout the campus buildings at all sites.

ALCOHOL AND ILLEGAL DRUG POLICY (POLICY 08:07:01/08:07:00)

Pellissippi State seeks to encourage and sustain an academic environment that respects individual freedoms and promotes the health, safety, and welfare of its students, faculty, and staff. In keeping with these objectives, the college has established guidelines and policies governing the possession and consumption of alcoholic beverages on college properties.

Tennessee Board of Regents policy number 08:07:01 (<http://www.pstcc.edu/ppm/pdf/08-07-01.pdf>) specifically states that “the use of and/or possession of alcoholic beverages on college or university-owned property shall be prohibited.” The Pellissippi State Student Handbook prohibits the consumption or possession of alcoholic beverages on college-owned or controlled property.

As a result of the Drug-Free Work Place Act, Pellissippi State is committed to maintaining a drug-free working environment. The Human Resources department has issued and distributed copies to all employees the Pellissippi State policy regarding drugs in the workplace. This policy states that Pellissippi State will ensure that all of its workplaces are safe and free from the illegal use, manufacture, possession, distribution, or dispensing of controlled substances (as defined in

the Controlled Substance Act), by employees. The Pellissippi State Student Handbook strictly prohibits the unlawful possession or use of any drug or controlled substance (including any stimulant, depressant, narcotic, hallucinogenic drug or substance, or marijuana), or sale or distribution of any such drug or controlled substance by any student.

<http://www.pstcc.edu/ppm/pdf/08-07-00.pdf>

DRUG/ALCOHOL COUNSELING, TREATMENT & REHABILITATION PROGRAMS

The Counseling Center at Pellissippi State provides confidential counseling to students on drug and alcohol-related problems. This service is furnished at no cost to students. Referral services are also provided for professional counseling, treatment and rehabilitation programs that are available in the local community. The cost of these professional services is normally the responsibility of the individual concerned or the individual's insurance carrier.

DISCLOSURE OF PREVIOUS CRIMINAL RECORDS

The college does not inquire as to whether students entering the college have been convicted of a crime. However, if such information is brought to the college's attention, admittance of the student to the college will be reviewed by appropriate administrative personnel on a case-by-case basis.

The college requires a thorough background investigation for all persons seeking full time employment and persons seeking part time teaching positions. A background investigation is also conducted for all Security Officer positions.

REGISTERED SEX OFFENDERS

The college does not require disclosure of previous sex offenses by students. Go to the "Safety Links" Web site (<http://www.pstcc.edu/security/links.php>) for more information regarding disclosure of registered sex offenders in Tennessee.

IN THE EVENT OF A SEXUAL ASSAULT

If you are a victim of sexual assault, remain as calm as possible and don't change clothes, shower, or douche. If you do not want to call the police, call a friend. You do not need to be alone to face this ordeal. If your friend thinks you should report the rape but you can't bring yourself to do it, let the friend report the rape and give the information to the police. Go to a hospital because you may need medical attention. You may also seek assistance through Student Affairs for counseling. The college will assist victims in reporting the incident to local law enforcement authorities if desired.

The college will also make accommodations to change a students (victims) schedule to avoid having to attend classes with a perpetrator or suspected perpetrator of sexual assault on the student.

Literature and brochures concerning sexual crime victims are available in the Counseling Center room 128 in the Goins Building.

CASES OF ALLEGED SEXUAL ASSAULT

In cases involving alleged sexual assault, both the accuser and the accused shall be informed of the following:

1. Both the accuser and the accused are entitled to the same opportunity to have others present during a disciplinary proceeding.
2. Both the accuser and the accused shall be informed of the outcome of any disciplinary proceeding involving allegations of sexual assault.

Any person may report a crime to the Department of Safety and Security by telephoning 694-6649 (emergency number) or 694-6646 or visiting the Goins Building, Room 101. You may also call the Knoxville City Police Department for the Division Street Campus and Magnolia Avenue Campus, Knox County Sheriff's Department for the Pellissippi Campus, or the Blount County Sheriff's Department for the Blount County Campus. The college will assist any student or employee in making this report if needed.

CRIME PREVENTION PROGRAMS

Crime prevention programs on personal safety and theft prevention are offered throughout the year. The Department of Safety & Security facilitates programs during student/parent, faculty, and new employee orientations.

Protect personal and college property:

- Lock your door every time you leave.
- Engrave expensive equipment and valuables with an ID number.
- Don't store your purse or wallet in an unlocked desk drawer.
- Don't leave your belongings unattended in classrooms, hallways, libraries, locker rooms, or restrooms.

If you are working late:

- Be sure all entrance and exit doors close securely behind you.
- Keep your office door locked.
- Lock all doors behind you when entering or exiting at night.
- Inform Security of your presence on campus and have them check on you occasionally.
- Be sure to inform Security when you leave.
