The following policy provides minimum standards for the registration and conduct of student organizations at Pellissippi State Community College. Organizations which may be registered to operate on campus include the following:

- A. honors and leadership organizations and recognition societies;
- B. departmental organizations and professional fraternities and sororities; and
- C. special interest groups (political, religious, etc.).

Registration of a student organization by Pellissippi State will neither constitute nor be construed as approval or endorsement by Pellissippi State of the purposes or objectives of the organization.

I. General Provisions

- A. No student organization may carry on any activity at Pellissippi State unless the organization has been officially registered. All registration of student organizations will be through the Director of Student Life and Recreation.
- B. Pellissippi State will not be responsible for injuries or damages to persons or property resulting from the activities or student organizations, or for any debts or liabilities incurred by such organizations.
- C. No student organization will deny membership to any person on the basis of age, race, color, gender, religion, sexual orientation, disability or national origin.
- D. No student organization or individual will engage in or condone any form of hazing. Hazing will include, but is not limited to the following: any action taken, or situation created intentionally, to produce mental or physical discomfort, embarrassment or ridicule, any form of verbal or physical harassment or abuse, and engaging in public stunts, morally degrading or humiliating behavior or games, whether on or off campus. Excessive demands on a student's time so as to interfere with academic performance are prohibited. Threatening in any manner or form for the purpose of cajoling individuals into secrecy in regard to breaches (planned, threatened, attempted, or perpetrated) of hazing violations also is prohibited.
- E. Student organizations will be vicariously responsible and liable for the conduct and actions of each member of the organization while acting in the capacity of a member or while attending or participation in any activity of the organization.
- F. No person, group, or organization may use the name of Pellissippi State in any manner, provided that registered student organizations may use the name of the College following the name of the organization. No person, group or organization may use the seal or any symbol of the College without the prior written approval of the president of the College.

II. Criteria For Registration of Organizations

- A. Any proposed student organization will be open to all students of Pellissippi State who otherwise meet membership requirements. Membership in the organization will be limited to currently enrolled students; provided that organizations may include faculty and staff of the College, alumni, and/or spouses of students, faculty and staff, and provided further that professional organizations may include members of the professional and business communities as members.
- B. A proposed organization must represent the interests of the members, and the control of the organization must be within the local campus group. The organization must not have a knowing affiliation with an organization possessing illegal aims and goals, with a specific purpose to further those illegal aims and goals.
- C. The proposed organization must agree to comply with all policies, regulations and procedures established by the Tennessee Board of Regents (TBR) and Pellissippi State, and with all federal and state laws and regulations.
- D. The proposed organization must not: (a) have illegal aims and goals; (b) propose activities which would violate regulations of the TBR or Pellissippi State, or federal or state laws and regulations, or materially and substantially disrupt the work and discipline of the College; or (c) advocate incitement of imminent lawless action which is likely to produce such action.
- E. The proposed organization must have the minimum of seven (7) charter members designated by Pellissippi State, and there must be a demonstration of continuous interest in the purposes of the organization sufficient to afford registration on a long-term basis. In the event there is not sufficient interest to warrant long-term registration, the College may grant temporary registration to an organization for a limited period of time.
- F. New organizations may be denied registration where the purposes are within the scope of a currently registered organization. No organization may use the same name, or a name which is misleading and similar to the name, of a currently registered organization.
- G. The organization must provide for the distribution of all funds and assets in the event of dissolution.

III. Procedure For Registration of Organizations

- A. To become officially registered as a student organization, a group must meet the criteria set forth in the previous section, and must provide Pellissippi State a minimum of the following:
 - 1. An application or request to form the organization. Applications are available in the Student Life and Recreation office or by going to myPellissippi under Student Life tab and clicking on Student Life and Recreation's website.
 - 2. The proposed constitution and bylaws of the organization, which must clearly contain the following: The name, purpose, proposed activities, and rules of membership of the organization, the officers, their terms and methods of selection and removal, the proposed nature and frequency of meetings and activities, definition of a quorum for making decisions, and the financial plans of the organization, including any proposed fees, dues and assessments.
 - 3. The names and signatures of the charter members of the organization.
 - 4. The names of the faculty advisor(s) or staff advisor(s) who will sponsor the organization. All student organizations will have a faculty member or staff member as advisor. The advisor must be approved by the Director of Student Life and Recreation.
 - 5. A statement of assurance of compliance by the organization that it will comply with all rules and regulations, policies and procedures of the TBR and Pellissippi State and with all federal and state laws and regulations.

- B. The foregoing documents must be presented to the Director of Student Life and Recreation for review and recommendation to the Assistant Vice President of Student Success. The Assistant Vice President of Student Success will review the documents and, in turn, make recommendations to the Vice President of Student Success and Enrollment Management. Registration by the Vice President of Student Success and Enrollment Management is necessary before the organization can be officially registered.
- C. An organization may be required to clarify any materials or information provided in the registration process, to resubmit the application or request with non-conforming materials or provisions deleted, or to appear at a hearing for the propose of obtaining additional information and testimony concerning the purposes, aims, or proposed activities of the organization.

IV. Nature and Conditions of Registration

- A. Registration of a student organization for other than temporary period will be on an annual basis only, effective until the beginning of the next fall term, and will be subject to annual renewal for each ensuing year.
- B. Annual renewal of registration of an organization will be dependent upon the organization's demonstration of compliance with the following:

 - 2. the organization ceases to operate as an active organization;
 - 3. the organization requests withdrawal of registration;
 - 4. the organization operates or engages in any activity in violation of rules and regulations of Pellissippi State, or federal or state laws; or
 - 5. the organization fails to submit any required reports.
- B. An organization which is placed on probation may continue to hold meetings but may not sponsor any activity or program. An organization which is placed under suspension may not engage in or sponsor any activity or program, and may not hold meetings. When registration of an organization is withdrawn, it will cease to exist as an organization.

- C. In the event an organization is placed on probation, suspended, or registration is withdrawn, the organization will be afforded the opportunity for a hearing before the Vice President for Student Success and Enrollment Management, a COSA Liaison, and an appointed member of the faculty.

A memorandum regarding the outcome will be submitted to the club advisor, club president, the Director of Student Life and Recreation and the Assistant Vice President for Student Success.

For off-campus activities it must be demonstrated that adequate security will be provided and that an adequate number of college personnel will be present.
- C. Any fund-raising activity on campus will be for the benefit of the organization as a whole or a charity, and no funds will be distributed to the officers or members of an organization for personal profit or gain.
