I. PURPOSE

Pellissippi State Community College (Pellissippi State or College) regulates the use of its campus property and facilities in order to be consistent with the college mission and educational purpose through the implementation of reasonable, content/viewpoint neutral regulations. This policy, and all campus policies developed in compliance with the policy, shall be implemented and construed so as to ensure no undue disruption of that mission, promote an educational atmosphere on campus; prevent commercial exploitation of students; and prevent use of campus property and facilities contrary to federal, state or local law, regulation, or the rules and policies of the Tennessee Board of Regents (TBR), the institutions, and schools.

In establishing this policy, and the related college policies, Pellissippi State recognizes the importance to the educational process and environment for persons affiliated with the College including officially recognized student organizations and other groups to have reasonable access to, and use of, the educational facilities on campus, to hear various views. Simultaneously, Pellissippi State also makes clear that its facilities are not open public forums, but are instead intended solely for use consistent with the advancement and orderly administration of its educational mission for the benefit of its students, staff, and affiliated entities. As such, Pellissippi State does not ordinarily make its buildings or other facilities available to outside individuals or outside groups. Exceptions may be made only if the proposed use is consistent with this policy and institutional policy and mission.

Priority for the use of college facilities is in the following order: 1) credit and non-credit classes and programs, 2) college-sponsored activities, 3) all other requests for usage.

II. DEFINITIONS

For the purposes of these regulations, the following definitions shall apply:

(1) "Affiliated Entities" - An officially registered student, student group or student organization.
(2) "Affiliated Individuals" - Persons officially connected with the institution including students, faculty, and staff.
(3) "Non-affiliated Entities" - Any person, group, or organization which is not an "affiliated entity or individual."
(4) "Non-affiliated Individual" - Any person who is not an "affiliated individual."
(5) "Student" - A person who is currently registered for a credit course or courses, non-credit course or program at the institution, including any such person during any period which follows the end of an academic period which the student has completed until the last day for registration for the next succeeding regular academic period.
(6) “Normal Educational Activities”- Activities that occur outside of the classroom to enhance and continue student learning and project completion. They include, but are not limited to, the following: small group study sessions (whether organized by students, tutors, Supplemental Instructors or teachers), review sessions, open labs, student-teacher conferences and students working together on class projects.

III. ACCESS TO CAMPUSES AND USE OF PROPERTY/FACILITIES

A. Access to Facilities and Prioritized Users

Access to and use of campuses, facilities, and property of Pellissippi State are restricted to the institution, institutional administration for official functions, normal educational activities, affiliated individuals/entities, and invited or sponsored guests of the College except as specifically provided by this policy, or when part or all of a campus, its buildings or facilities are open to the general public for a designated time and purpose.

B. Use of Facilities by Affiliated Entities and Affiliated Individuals

1. Affiliated student groups or student organizations who wish to use campus property or facilities for activities or events must complete the “Student Organization Special Event Application.” This application must be submitted to the Office of Student Life at least five business days prior to the event. Affiliated student groups or student organizations are encouraged to complete the application earlier than five business days in advance for college and organizational planning purposes.

2. Where appropriate, affiliated individuals or affiliated entities must submit a written request to their vice president through their reporting supervisor and obtain written permission from their respective vice president in order to use campus property or facilities for activities or events, excluding normal educational activities.
   a. Students working independent of a recognized student organization must obtain written permission from the vice president of Student Affairs.
   b. Individual faculty must obtain written permission from the vice president of Academic Affairs.
   c. Staff members must obtain written permission from the vice president of their respective division.
   d. Requests for activities taking place on the site campuses must be approved in writing by the respective site dean, rather than a vice president.

Written permission may be in the form of an email message. Written disapproval of a request will include a statement regarding the basis for disapproval. Written approval
or disapproval of a request will be provided to the applicant within a reasonable time, usually within 10 business days. Denial of a request to access/use campus facilities and/or property shall be based solely on factors related to reasonable regulations in light of the institution’s mission and the nature of the facility or property requested and rendered in a content/viewpoint neutral manner. See Section III.D. for examples of reasons for denial.

Requests must be made to the appropriate vice president or site dean at least five business days in advance of the proposed activity or event. Where an application for a proposed outside speaker involves payment of a total fee and/or expenses in excess of $2,500.00 from institutional funds, the request must be submitted no later than 20 business days prior to the date of the proposed speaking engagement to allow time for processing any payment.

The college president or designee may approve requests to use facilities filed less than five business days, 20 business days in the case of a speaker paid from institutional or school funds, before the event, if it is determined that the use of property requested can be reasonably accommodated and that adequate cause exists for late filing of the application for usage. Approval of late requests shall be within the sole discretion of the president or designee. The decision of the president or designee will be final.

Use of facilities is limited to one time only events, short term, intermittent, and/or repeat use of campus facilities where access/use of facilities/property are permitted without an associated rental/lease of fee. Such uses shall be limited to circumstances where the College does not actually, or effectively, cede occupancy or control of any College property. The vice president, or site dean, may, at his or her discretion, give permission to affiliated entities in cases where the meetings are limited to members of the organization, for the repeated use of facilities. Approval for repeated or intermittent use of any facility or property pursuant to this policy may not exceed four months in length and may only be renewed or repeated after review to determine that such use does not conflict with an institutional need, or another request for access/use of the facility/space by another eligible person/entity.

3. Use of property or facilities by affiliated entities or individuals will be subject to the same time, place and other guidelines as are in place for non-affiliated entities/individuals.

4. Faculty may invite uncompensated, unaffiliated guest speakers for regular class sessions and/or meetings without prior application or approval where attendance at
the class session or meeting will be limited to members of the class and where no fee or compensation from state funds will be paid to the speaker.

5. Affiliated individuals and affiliated entities who wish to invite a guest speaker or reserve space for an event other than a regular class session, normal educational activity, or college-sponsored meeting must go through the approval process outlined by the Business and Community Services Office. Additionally all requests for usage of the Clayton Performing Arts Center and Bagwell Gallery must go through this process.

6. The affiliated individual(s) or affiliated entity or entities sponsoring a guest speaker or event will be responsible for the conduct of both the speaker and the non-affiliated guests at the event as well as compliance with all laws, TBR and Pellissippi State rules and/or policies while present on campus or using campus facilities or property.

7. Affiliated entities or affiliated individuals approved to use campus facilities or property are subject to all Pellissippi State and TBR rules and/or policies and federal, state and local laws. Further, they must adhere to any conditions of facility usage as outlined in this policy or stated by the approving vice president.

8. It shall be the responsibility of the applicant to obtain written approval or denial of any application submitted pursuant to this policy.

The vice president of Student Affairs or designee will review the requests that relate to or will take place on the Pellissippi Campus. The appropriate Site Dean will review the request for the site campuses. Approval or denial of the request will be in writing and may take the form of an email message. Disapproval of the request to use the unassigned areas will include a statement regarding the basis for the disapproval. See Section III.E. for examples of reasons for denial.

D. Denial of the Use of Facilities

Denial of a request to access/use campus facilities and/or property shall be based solely on factors related to reasonable regulations in light of the institution’s mission and the nature of the facility or property requested and rendered in a content/viewpoint neutral manner. Pellissippi State may deny affiliated entities or affiliated individuals or non-affiliated entities or non-affiliated individuals the use of college facilities, including unassigned areas. Such reasons may include, but are not limited to, the following:

1. The property or facilities have been previously reserved by another group, organization or individual with equal or higher priority,

7. The facility or property requested has not been designated as available for use for the time/date,
8. The anticipated size or attendance for the event will exceed building/fire codes, established safety standards, and/or the physical or other limitations for the facility or property requested,
9. The activity is of such nature or duration that it cannot reasonably be accommodated in the particular facility or area for which application is made,
10. A determination that the size and/or location of the requested use would cause substantial disruption or interference with the normal activities of the institution, the educational use of other facilities or services on campus or the flow of vehicular or pedestrian traffic,
11. The activity conflicts with existing contractual obligations of the institution,
12. The activity presents a clear and present danger for physical harm, coercion, intimidation, or other invasion of lawful rights of the institution's officials, faculty members, or students, the damage or destruction, or seizure and subversion, of the institution's or school's buildings, other property, or for other campus disorder of a violent or destructive nature. In determining the existence of a clear and present danger, the responsible official may consider all relevant factors,
13. A determination that the requested use would be contrary to local, state, or federal law, regulation, or the policies or regulations of the TBR, or the College.
